WORK EXPERIENCE

Crew Member, Chipotle Mexican Grill

MAY 2022 - AUGUST 2022

- Worked 20 hours a week at Beaverton Murray Scholls's Chipotle location serving food to customers, handling the cashier, regularly lifting heavy items, providing customer service, training new hires, and answering phone calls addressing customers' concerns.

Opening Days Leader, Willamette University

SUMMER 2023

- Collaborated with a partner to be a leader and mentor to incoming students during their first week at Willamette University by leading informational sessions, putting together activities, and fostering one-on-one connections with other students.

Marketing Dept. Office Assistant, Willamette University

MAY 2023 - PRESENT

- Worked under Director of Creative Direction to add metadata to photo databases in Canto, organize information on the Willamette website for future streamlining, manage assets in Adobe Photoshop, and create digital templates for marketing purposes.

EDUCATION

Willamette University, Salem, OR — BS in Data Science

SEPTEMBER 2021 - MAY 2025

Currently a full-time student pursuing a BS in Data Science and expected to graduate in May of 2025.
